

EASTER GREETING FROM NIS CITY MAYOR

April 6th

Nis City Mayor Darko Bulatovic wished a happy Easter to the Serbian Orthodox Church clergy, believers and all those citizens of Nis who were celebrating Easter according to the Julian calendar. "I most heartily wish to you to celebrate this holiday in the spiritual and universal peace, in love, tranquility and in tolerance. May the sacrifice of Christ in the name of salvation remind us of the true values that will help us build a more humane society based on the ideas of democracy, freedom and human rights."
